Experience

Associate Director, Portfolio Strategy

Harbor Group — 2026 - Present

- Set allocation scenarios and reporting for a multi-asset portfolio reviewed by the board each quarter.
- Manage three analysts and the annual planning calendar.

Lead Analyst, FP&A

Harbor Group — 2024 - 2026

- Rebuilt the rolling revenue forecast as a driver-based model, improving accuracy by 18%.
- Reviewed vendor spend and renegotiated the five largest contracts, saving $2.4M a year.

Senior Analyst

Northbridge Capital — 2022 - 2024

- Automated month-end reconciliations and variance commentary in Python, cutting days to close by 32%.
- Passed CFA Level II and mentored two junior analysts.

Analyst, Equity Research and Risk

Northbridge Capital — 2018 - 2022

- Built valuation models and initiated coverage on 11 consumer and industrial companies.
- Moved into risk modelling in 2020 to support stress testing through the downturn.
